

Rafael Becerril Arreola

USC Darla Moore School of Business, 1014 Greene Street, Columbia, SC 29208

rafael.becerril@moore.sc.edu

Last updated: May, 2021

EDUCATION

UCLA (University of California, Los Angeles) Ph.D. in Management (focus on Quantitative Marketing and Economics)	USA 2008 - 2013
University of Toronto M.A.Sc. in Electrical Engineering (focus on Automatic Control)	Canada 2001 - 2003
ITESM (Instituto Tecnológico de Estudios Superiores de Monterrey) B.Sc. in Electrical and Computer Engineering	Mexico 1996 - 2000

EMPLOYMENT

University of South Carolina Dean's Fellow, Darla Moore School of Business Assistant Professor of Marketing, Darla Moore School of Business	USA 2021 - 2013 -
Lingnan University Visiting Tutor, English Dept. Senior Research Assistant, Computing and Decision Sciences Dept. Research Assistant, Computing and Decision Sciences Dept.	Hong Kong 2008 2007 - 2008 2006 - 2007
ARBE Transportation Systems Analyst (part-time contractor)	Mexico 2005 - 2006
AVW-TELAV Systems Design Specialist, System Design and Integration Dept.	Canada 2004 - 2005
Concordia University Research Associate, Electrical and Computer Engineering Dept.	Canada 2003 - 2004
ITESM Instructor, Division of Engineering	Mexico 2001

EXPERTISE

Research. I study the roles of socioeconomics and digital technology in consumer markets, focusing on their implications for marketing, operations, and economics. To this end, I develop and apply tools from frequentist and Bayesian econometrics, automatic control, optimization, and high-performance computing, supported by theories from marketing, operations, economics, and psychology.

Teaching. My specialty is business analytics and data science at both undergraduate and graduate levels. I teach the conceptual foundations and the practical application of data analysis tools, through the case method, in-class labs, and consulting assignments with consumer goods companies. Delivered in face-to-face, distributed, and mixed formats, my courses emphasize critical thinking and highly-structured best practices to tackle the complexity of real-life problems.

Practice. Most of my work pertains to pricing, branding, assortment, product line, and delivery decisions in automotive, retailing, e-commerce, and consumer packaged good industries. My consulting experience has so far focused on pricing and product line decisions.

CONFERENCE PRESENTATIONS

1. Heterogeneous Veblen Effects: Evidence from the Car Rental Market. In *Marketing Science Conference*, Philadelphia, PA, Jun 2018.
2. What Are the Welfare Effects of Consumer Brand Deletions? In *Marketing Science Conference*, Los Angeles, CA, Jun 2017.
3. Does Income Inequality Matter in Marketing? A Cross - Category, Cross - Market Look at Consumer Product Availability. In *Marketing Science Conference*, Baltimore, MA, Jun 2015.
4. Does Income Inequality Matter in Marketing? A Cross-Category, Cross-Market Look at Consumer Product Availability. In *Theory + Practice in Marketing Conference*, Atlanta, GA, Jun 2015.
5. The Relationships among Income, Preferences, and Consumer Motivation. In *Marketing Science Conference*, Boston, MA, Jun 2012.
6. The Multiple Moderating Effects of Social Comparisons on Consumer Expenditures. In *Marketing Science Conference*, Houston, TX, Jun 2011.
7. Social Comparisons and Consumption. In *Doctoral Symposium in Marketing*, Houston, TX, Apr 2010. University of Houston.

INVITED PRESENTATIONS

1. Heterogeneous Veblen Effects: Evidence from the Car Rental Market. *ESSEC Business School*, Jun 2019.
2. Heterogeneous Veblen Effects: Evidence from the Car Rental Market. *Shanghai University of Finance and Economics*, Jun 2018.
3. Competitive Reactions and Spillover Effects of Product Recalls. *University of California, Los Angeles, Marketing Area Research Symposium*, May 2016.
4. Does Income Inequality Matter in Marketing? A Large Scale Analysis of Consumer Product Availability. Columbia, SC, Apr 2016. *Symposium on Research Computing Infrastructure*.
5. The Effects of Economic Inequality on the Demand for Status-Signaling Brands. Job market paper presented at *Boston University, University of Washington Seattle, George Washington University, Tilburg University, VU Amsterdam, University of California Riverside, University of South Carolina*, 2012-2013.

GRANTS

Association for Computing Machinery

Co-Principal Investigator, Management Information Systems research grant (\$3,000) 2018 - 2019

University of South Carolina

Principal Investigator, Office of Research ASPIRE-I grant (\$15,000) 2021

Center for Teaching Excellence, online course design grant (\$500) 2020

University of South Carolina, Darla Moore School of Business

Professional MBA course redesign grant (\$5,000)	2020
Principal Investigator, Moore research grants (\$5,750)	2020
Principal Investigator, Moore research grants (\$5,500)	2019
Principal Investigator, Moore research grant (\$5,000)	2016
Principal Investigator, Moore research grant (\$2,500)	2014
Principal Investigator, Moore research grant (\$3,000)	2013

TEACHING EXPERIENCE

University of South Carolina, Darla Moore School of Business

Developed and taught:

MKTG448: online synchronous undergraduate course on Data Science (machine learning, algorithmic biases, business aspects of data science, etc.)	2020 -
MKTG717: hybrid distributed and face-to-face MBA course on Marketing Analytics (analytics lifecycle management, fundamentals of analytics methods, biases, etc.)	2014 -
MKTG750: MBA practicums involving consulting projects on Marketing Analytics (price optimization, market structure measurement, etc.)	2013 - 2015
MKTG712: face-to-face MBA course on Marketing Analytics (predictive analytics, marketing experiments, CLV, conjoint analysis, etc.)	2013

Taught:

MKTG451: face-to-face undergraduate course on Marketing Analytics (regression diagnostics, forecasting, data mining, optimization, etc.)	2016 - 2019
---	-------------

ITESM

Developed and taught undergraduate course on electric circuits	2001
--	------

STUDENT ADVISING

University of South Carolina, Marketing Department

PhD Dissertation Committee (co-chair) for Sina Aghaie	2017 - 2019
PhD Comprehensive Exam Committee (member)	2017 - 2019
PhD Qualifying Exam Committee (member)	2014 - 2019

University of South Carolina, Management Science Department

PhD Qualifying Exam Committee (member)	2017 - 2018
--	-------------

University of South Carolina, Computer Science Department

Master Thesis Committee (member) for Surya Bhatt	2014 - 2015
--	-------------

SERVICE TO DEPARTMENT, SCHOOL, UNIVERSITY, AND COMMUNITY

University of South Carolina, Marketing Department

PhD Admission Committee (member)	2019 -
Center for Marketing Solutions' Advisory Board (member)	2014 - 2016
Faculty Recruiting Committee (member)	2013 - 2015

University of South Carolina, Darla Moore School of Business

Master of Science on Business Analytics, Program Launch Committee (member)	2020 -
Institutional Nielsen datasets subscription (administrator)	2019 -
Faculty Advisory Committee (member)	2017 - 2020
Analytics Certificate Committee (member)	2014 - 2016

University of South Carolina

Research Computing Advisory Committee (member)	2019 -
University Bookstores' Committee (member)	2015 - 2017
University Bookstores' Committee (co-chair)	2014 - 2015

Dutch Fork High School

Advanced Placement Research Program (mentor)	2019 - 2020
--	-------------

SERVICE TO PROFESSION

Ad hoc reviewer for: Marketing Science, Journal of Marketing, Manufacturing & Service Operations Management, Production and Operations Management, Information Systems Research, Journal of Public Policy & Marketing, Transportation Research Part A: Policy and Practice, European Journal of Operational Research, ACM (Association for Computing Machinery) Computing Surveys

HONORS AND AWARDS

University of South Carolina

Darla Moore School of Business, Dean's Fellow	2021 -
---	--------

ACM (Association for Computing Machinery)

SIGMIS CPR Magid Igbaria Outstanding Conference Paper Award, finalist	2019
---	------

MSI (Marketing Science Institute)

Clayton Dissertation Award, Honorable Mention	2012
---	------

UCLA (University of California, Los Angeles)

American Marketing Association Sheth Doctoral Consortium, Fellow	2011
Columbia-Duke-UCLA Workshop on Quantitative Marketing, Fellow	2010
Doctoral Symposium in Marketing, University of Houston, Fellow	2010
Doctoral Internationalization Consortium in Marketing, UT Austin, Fellow	2009
Graduate, Teaching, and Research Fellowships	2008 - 2013
Anderson Educational Fellowship	2008 - 2012

University of Toronto

Graduate, Teaching, and Research Fellowships	2001 - 2003
--	-------------

ICIA (International Communication Industries Association)

Educational Communications Foundation Scholarship	2001
---	------

ITESM (Instituto Tecnológico de Estudios Superiores de Monterrey)

Excellence Scholarship for Master's program	2001
Highest GPA in undergraduate major, graduation honors	2000
Undergraduate merit-based scholarship	1996 - 2000

IHS (Information Handling Services)

1st place in the IHS96 Research Prize	1996
---------------------------------------	------

SOFTWARE SKILLS (RECENTLY USED)

Statistical software and computer languages

R, SAS, STAN, Python, C, C++, SQL

High performance computing platforms and operating systems

PBS and SLURM job managers, MPI protocol, Windows and Linux (basic administration)
